

# GOLD BOND S-SERIES *featuring Serene Comfort Foam*

## S-SERIES 12"

### ACTIVE AIR HOLE PUNCH TECHNOLOGY

Heat and humidity pass quickly through the material and comfortably away from the skin.

### ENDURE COMFORT FOAM

More comfortable and supportive than memory foam, sleeps cool, 100% recyclable, hypoallergenic.

### MOTION-FRIENDLY

Can be used on adjustable base for versatility in comfort.

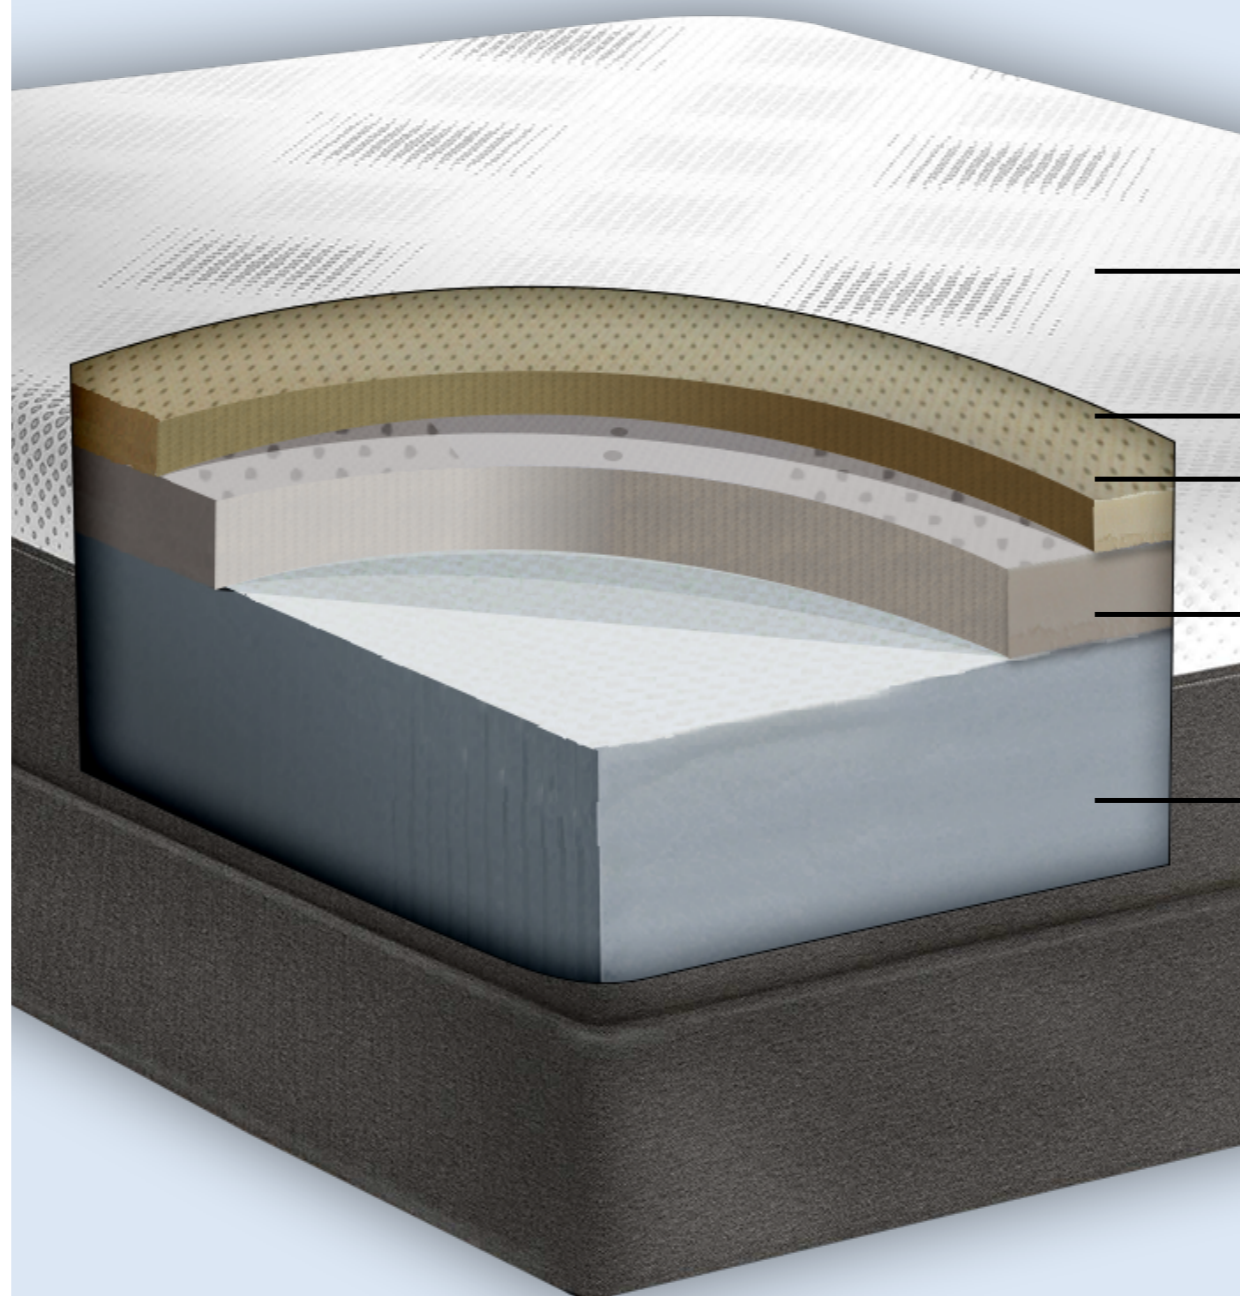

### CERTIPUR-US® CERTIFIED

Requires low-emissions for indoor air quality. Made without ozone-depleters, formaldehyde, lead, mercury and other materials of concern.

### BED IN A BOX, ROLL PACK TECHNOLOGY

Compressed for convenient shipping and handling.
