## FEATURES

- 1 For added strength, the heavy cotton twill outer shell is constructed like a box—with top, bottom and side panels—not like a pillow as on other futons.
- 2 Our futons have 25% more lace tufts than the competition.
- 3 We 'crown' each futon across the middle with several pounds of extra cotton top and bottom for extra comfort and support.
- 4 Double-stitched seams won't split or unwind.
- 5 Exceptional comfort comes from a full 3" layer of pressure-relieving memory foam, which adapts to your body's contours.
- 6 The two Layers of convoluted memory foam enhance the comfort and support of the memory foam.
- 7 The memory foam and convoluted foam layers are completely wrapped in a blanket of our exclusive 100% densified polyester fiber for added feel and stability.
