① Cotton-Based Fabric

ZERO VOC, antimicrobial, hypoallergenic & enhanced with copper fiber for a clean sleep surface.

② 2" Polyester Fiber

Additional surface comfort and breathability.

③ ½" FR Cotton Fiber

Ultra-comfortable material, especially great for those with allergies.

④ 2" 5 lbs Vytex® 100% Natural Latex

The purest in sleep technology—hypoallergenic, toxin free, dust mite resistant, mold & mildew free, protein free.

The most durable latex product available.

4X more breathable than other latex or foam mattresses, keeping the body cool during sleep.

⑤ Insulator Pads

Above and below innerspring unit, enhance thermal qualities and extends mattress life.

⑥ 448 Coil Spring System

100% American-Made, 12.75 gauge steel.

⑦ Semi-Flex Box Spring
